# Year in Review

A Message From Tim Curington

Dear Friend,

As we reflect on 2024, our hearts are filled with gratitude for the incredible ways God worked through Prison Alliance—and through you. Because of your generosity and faithfulness, lives were transformed, hope was restored, and the Gospel reached thousands of men and women behind bars.

**Each number we celebrate this year represents a person forever changed—like Michael.**

Michael entered prison filled with anger and despair, but through a Prison Alliance Bible study, he encountered the truth of God's Word. That truth set him free—not physically, but spiritually. Today, Michael leads a small group Bible study in his facility, discipling fellow inmates and pointing them to the same hope he found through your support.

*"I thought I was beyond saving, but God met me in my cell through the Bible you sent. Now, I'm helping others find freedom in Christ." – Michael*

Stories like Michael's remind us of why we do this work, driven by the call in Hebrews 13:3 to "remember those in prison as if you were there yourself." We are also guided by the Great Commission in Matthew 28:19-20 to make disciples of all nations. Through your support, in 2024, we launched our first video Bible study, Who is God?, in English and Spanish, expanding our reach through digital discipleship tools. We also deepened partnerships that allow us to share these resources on tablets in facilities across the globe, making disciples wherever they are.

Your prayers, generosity, and partnership fuel this life-changing ministry. Together, we're laying the groundwork for even greater impact in the years to come—making disciples of every prisoner, one life at a time, as we fulfill our vision to reach every prison in every country.

**Thank you for being an ally in this mission.**
